

# Anleitung zur Registrierung beim LBA (Luftfahrt Bundesamt) für Betreiber von Drohnen

Für den neuen "Drohnenführerschein" sind folgende Schritte notwendig:

1. Registrierung des Unternehmens oder der Person beim LBA (Luftfahrtbehörde) <https://uas-registration.lba-openuav.de/registration/uasOperator>

The screenshot shows the LBA registration portal for UAS operators. At the top left is the LBA logo, and at the top right is a button labeled "Back to the training portal". Below the logo is a progress bar with six steps: 1. User account, 2. Type of registration, 3. Personal information, 4. Proof of identity, 5. Insurance, and 6. Graduation. Step 1 is currently active.

**Step 1 - User account**

**Information about your registration**

Welcome to register as a UAS operator and/or remote pilot.

If you want to register as a UAS operator, we need a photo or a scan of an identity document to verify your details. Your electronic identification number will be sent to you after successful verification of your data.

If you only want to acquire the EU Certificate of Competence A1/A3, steps 4 and 5 for UAS operator registration can be skipped. You have the option at any time to complete your details and to register as a UAS operator at a later date.

**Step 6 - Completion**

Registration as the operator of a UAS for operation in the operating categories "open" and "special" as well as the issuance, renewal and amendment of the EU certificates of competence A1/A3 are subject to a fee.

Fees according to LuftkostV – Annex List of Fees (to § 2 Abs. 1):

- registration as a UAS operator incurs the following fees:
- € 20.00 per registration for natural persons
- € 50.00 per registration for legal entities.
- for the issuance of an EU Certificate of Competence A1/A3, fees of € 25.00 will be charged.

You will receive a cost notice separately.  
Further information on the respective fees can be found in the Cost Ordinance of the Aviation Administration (LuftkostV).

**i** You have not provided proof of identity. You can add your proof of identity to your user account after registration.

**i** You have not stored any insurance data. You can add your insurance details to your user account after registration.
